- Implemented a Cart page with increment and decrement functionality for room selection and real-time total amount adjustments
- Ensured full responsiveness for an optimal user experience

### WORK EXPERIENCE

#### Express Cargo Movers

**Documentation in the Import and Export Industry**

March-2021 to Present

**Job responsibilities:**

- I worked As an Import Executive at Express Cargo Movers in Ludhiana from October 2020 to August 2023, I played a pivotal role in the smooth functioning of the company's import operations. I worked closely with customs authorities to expedite the customs clearance process, resulting in quicker cargo release and cost savings due to reduced demurrage. To enhance operational transparency, I introduced advanced tracking and monitoring systems for inbound shipments, providing real-time updates to clients and enhancing overall customer satisfaction.
